2018-2019 Chromebook Information

Parents of future 4th grade students:

Our 1:1 Technology program has been a tremendous success! For the 2018/2019 school year, students in grades 3-8 will be using Chromebooks on a daily basis. Since it is a “Bring Your Own Device” please review the following information.

There are several local retailers that stock Acer, HP, and Samsung Chromebooks such as Walmart, Target, Meijer, and Best Buy with a wide price range. Additional warranties are optional that extend beyond the one year manufacturer’s warranty.) Chromebooks can also be purchased online from Dell, OfficeMax, Staples, etc.

Over the summer please purchase your Chromebook and bring it in at the beginning of the school year.

Thanks you, and if you have any questions please call the office.
